## Small Meetings & Syndicates

When a smaller room is required, whether as a syndicate room or as a stand alone meeting room for small numbers; we can turn our bedrooms into meeting rooms.

There are varying sizes and layouts available, both of which we can tailor to your needs. Being bedrooms, all rooms have ensuite bathroom facilities, we also have a room with disabled toilet facilities if required.

Tea & coffee can be served in the rooms and we usually suggest a working lunch or dining in our restaurant.
